

PRINTANYWAY MOBILE APP

This app provides PrintAnyWay users an additional interface to manage their secure printing in MFPs while enabling the same capabilities in more limited printers.

FEATURES

NFC

User authentication in NFC enabled multifunction printers.

STANDARD PRINTERS

Enable secure printing in standard TCP/IP printers without UI.

FOLLOWUSER

Secure release of print jobs on the MFP selected by you.

ACCOUNTING

View BW and color quotas, current balance or print counts for the current month.

FAVORITES

Manage, print or reprint favorite documents.

ANDROID
